

Newsletter - November 2019

Dear international,

It is about just over a month since the International Welcome Centre opened its doors! Thanks to ACCESS, IND and Burgerzaken, we were able to assist over 370 internationals in the first month. In October we also established our first partnerships with international oriented companies in Utrecht Region, we attended the Get Connected annual conference and we celebrated our new centre with an official opening ceremony. It would be fair to say that it was a good first month. We are looking forward to assisting many more internationals in the near future. Feel free to stop by!

Kind regards,

The team of the International Welcome Centre Utrecht Region
